

Invitation letter
First call for papers
Communications Session for PhD students of the Doctoral School
of the Faculty of Applied Sciences which will be held on May 25, 2017

Topics: Mathematics and Physics

Authors are invited to submit electronically previously a two pages abstract of their work (A4, Times New Roman, 12 font, 2 cm x 2 cm x 2 cm x 2 cm margins, single spaced, in English only, in MS Word or PDF format). Each submission should present clearly the novelty and significance of the contribution, a list of references, and figures or tables. The abstract paper will be reviewed for technical merit, content, and clearness by a composed Scientific Committee under the leadership of the Session Chair.

The selected papers (original, having a significant scientific level and novelty) of the session will be published by University POLITEHNICA of Bucharest, Scientific Bulletin, Series A: Applied Mathematics and Physics, indexed by ISI. However, it will not be possible to publish a paper without having it presented before.

Authors are expected to present their papers at the session and to mention for oral/poster presentation to:

- alex.negrescu@mathem.pub.ro (Mathematics);
- lily@physics.pub.ro (Physics).

Laptops and data projectors will be available for oral presentations, Power Point or Acrobat. The poster area will be approximately 80 cm high by 80 cm wide.
