This is a template for your preparation of abstracts to be submitted to the 7th International Colloquium “Physics of Materials” to be held in Bucharest, Romania, November 10-11, 2022.

The character font should be "Times New Roman" for the whole document. Please use the main text-lettering-size 14pt and margins size as given in this template. The headline on top should be 18pt and bold, followed by the authors of the contribution (14pt) and their affiliations (13pt) and email address (12pt). Affiliations should be numbered in the order of the authors. The presenting author should be underlined. Corresponding author should be identified with a raised asterisk.

Figure 1.

Illustrations should be numbered according to their sequence in the text, and should not be provided separately. Each illustration should be accompanied by a caption. References should be cited in the text by square brackets, e.g. [1].

The abstract should be maximum 1 page A4 in length (including figures, tables, references) and should be submitted in MS-Word 97-2003 format with the file size not exceeding 5MB before October 2, 2022.

References: (12pt)
