THE 9th INTERNATIONAL COLLOQUIUM “PHYSICS OF MATERIALS” (PM-9)

**NOVEMBER 11-13, 2026
BUCHAREST, ROMANIA**

INVITATION

On behalf of the Organizing Committee you are invited to participate in the ninth edition of the International Colloquium “Physics of Materials” (PM-9), organized by the National University of Science and Technology POLITEHNICA Bucharest and the Academy of Romanian Scientists.

The 9th International Colloquium “Physics of Materials” will be held on November 11-13, 2026 in Bucharest, Romania. The aim of the Colloquium is to provide a forum for the presentation of new advances in the physics of materials research and novel applications.

The accepted and presented papers will be included in The Proceeding of the conference and will be published in the Annals of the Academy of the Romanian Scientists.

The conference will be held online.

Chair: Prof. Dr. Habil. Doina Mănăilă-Maximean

1. Invited communications;
2. Oral communications;
3. Poster sessions.

The Program of the Colloquium will consist of oral and poster contributions falling within the topics:

1. Synthesis and characterization of functional materials
2. Nanomaterials, metamaterials and nanoelectronics
3. Materials for Sustainable Energy
4. Electronic, photonic and optoelectronic materials
5. Optical and Laser Materials
6. Materials science
7. Biomaterials and organic materials
8. Methods for material characterization

Young Scientists are encouraged to participate!

DEADLINES:

Abstract submission: oral and poster presentations October, 4

The abstract should be maximum 1 page A4 in length (including figures, tables, references) and should be submitted in MS-Word 97-2003 format with the file size not exceeding 5MB before October 4, 2026. Please see the Abstract Template.
